

“Social Entrepreneurs are individuals with innovative solutions to society’s most pressing social problems. They are ambitious and persistent, tackling major social issues and offering new ideas for wide-scale change”

~Ashoka

Our Impact

We launch early-stage ventures—for-profit and nonprofit—that are tackling systemic social challenges in sectors such as healthy food access and public education. The ventures we work with are early-stage, measure their success in transformational social impact, and have financially sustainable business models.
